Dear Devotees,

Saturday, April 26, 2014 marks the day of Sani Trayodasi. It is believed that worshipping Lord Siva and Sanaischara on this important day is very beneficial and gives spiritual knowledge and generosity.

It should also be noted that this is the second Sani Trayodasi during the month of Chaitra Maasam. Chaitra Maasam being the first month of new year in many regions of India, Sani Trayodasi during this month is considered very auspicious. Also Sani Trayodasi before Amavasya is considered even more powerful. Performing Abhishekam on this auspicious day aids in relief from Nava Graha Doshas and Nakshatra Doshas and bestows peace and prosperity.

Sri Lalitha Peetham cordially invites all devotees to participate in Nava Graha Ksheerabhishekam starting at 6:30 PM. During this event sponsoring devotees will be able to perform Abhishekam personally by offering milk to Nava Graha Devatas.

Sponsorship amount for the Abhishekam is $101. Devotees interested are requested to contact the Temple office for more information and registration at the earliest possible. **Devotees may also offer Special Daanam to Nava Graha Devatas based on their Janma Nakshatram (Birth Star) during this event. Please contact Priest Brahmasri Sankaramanchi Garu for details (Mobile: 225 772 9900).**

Sincerely
Sri Lalitha Peetham Management
