Dear Devotees,

Sri Lalitha Peetham is offering a special energized Shiva Lingam to devotees donating \$250 or more. This Shiva Lingam is made of brass and is appropriately sized to install at home without following elaborate daily procedures. This batch of Shiva Lingams has been procured from India. Each Shiva Lingam has been duly purified by a series of Abhishekams during Kartika Maasam and energized through chanting of Rudram and Maha Mrutyunjaya Mantra for 40 days.

Presence of this Shiva Lingam at home blesses the household with harmony and abundance. Worship of this connects a devotee with the Supreme Being – Lord Shiva. It brings prosperity, happiness and contentment to the family members where it is worshipped.

The quantity of these Shiva Lingams is limited and requests will be fulfilled on first come first serve basis. Please contact the priest or the Temple office for more information and to register, at 972-423-2009 (Temple) or 225-772-9900 (Mobile).

Sincerely
Sri Lalitha Peetham Management
